

RETRACTION NOTICE

Retraction notice to “Nanomedicine Opened New Horizons for Metal Nanoparticles to Treat Multi-Drug Resistant Organisms” Int.J.Curr.Microbiol.App.Sci (2016) 5(2): 397-414.

This article has been retracted: please see Excellent Publishers Terms and conditions on Article Withdrawal and Article Retract Policy.

This article has been retracted at the request of the Editor.

One of the conditions of submission of a paper for publication is that authors declare explicitly that their work is original and there is no conflict for publication in IJCMAS. The scientific community takes a very strong view on this matter and apologies are offered to readers of the publication.
