

RETRACTION NOTICE

Retraction notice to “Identification of Quantitative Trait Loci for Biochemical Traits Related to Pod Borer Resistance among Recombinant Inbred Lines in Pigeonpea [Cajanus cajan (L.) Mills] Paugh.” Int.J.Curr.Microbiol.App.Sci.2019.8(8): 181-191.

This article has been retracted: please see Excellent Publishers Terms and conditions on Article Withdrawal

This article has been retracted at the request of the Editor.

One of the conditions of submission of a paper for publication is that authors declare explicitly that their work is original and there is no conflict for publication in IJCMAS. The scientific community takes a very strong view on this matter and apologies are offered to readers of the publication.
